

# **WELCOME TO MORRIS ANIMAL HOSPITAL BED & BISCUIT!**

We are pleased to provide your companion with a comfortable, safe, & friendly place to call home while you are away. A key advantage to having your pet stay with us is that we are a hospital with a highly-skilled veterinary & nursing staff ready to handle any emergency that may arise.

Our guests enjoy heated/air conditioned rooms. We offer clean, comfortable bedding to every guest. Our regular menu consists of veterinarian-recommended Science Diet food. Each guest is given a healthy mid-morning and afternoon snack. Fresh water is plentiful.

Our canine friends receive 2 leisurely walks each day in our big back yard. We offer an additional mid-day playtime/walk for \$5.00 (available daily except Sunday). Our feline friends have a room with a bay window overlooking outdoor scenery. All of our guests receive lots of attention and interaction with our well-trained, caring staff.

You are welcome to bring a special diet for your friend. Please bring food in an easy-to-store container. Only bring enough food for your pet's stay, due to our limited storage space. Please label all items that you bring from home to assure that you receive them back. For sanitary reasons, we ask that you leave personal bedding items at home. If your pet is taking medications please bring them in their original bottles.

For the safety of your companion and all of our boarding guests, we require all guests to be current on their vaccinations. If your pet is due for vaccines please ensure that he/she is vaccinated at least 7 days prior to check-in date.

Each morning begins with a very important time for walking, cleaning rooms, and serving breakfast. Because of this routine, we ask that you wait until after 10 a.m. to check your pet in or out of our boarding facility. Check-outs that occur before 1 p.m. will not be charged for that day.

We welcome you to call us to check on your companion while you are away. We also welcome you to tour our facility. Your peace of mind is important to us!

Daily charges are based on room size. Please specify the room size desired when you make your reservations.
