

WELCOME TO MORRIS ANIMAL HOSPITAL BED & BISCUIT!

Boarding is reserved for established clients

We are pleased to provide your companion with a comfortable, safe, and friendly place to call home while you are away. A key advantage to having your pet stay with us is that we are a hospital with a highly-skilled veterinary & nursing staff ready to handle any medical problem that may arise.

It is important to note that we are not a 24-hour hospital. We are not staffed between the hours of 6:00pm and 7:30am, and on Sundays our staff are not scheduled other than in the morning and evening to walk, feed and medicate our boarding patients.

Our guests enjoy heated/air conditioned rooms. We offer clean, comfortable bedding to every guest. Fresh water is plentiful.

Our canine friends receive 3 leisurely walks each day in our big back yard. We offer an additional mid-day playtime/walk for \$5.00 (available daily except Sunday). Our feline friends have a room with a bay window overlooking outdoor scenery. All of our guests receive lots of attention and interaction with our well-trained, caring staff.

Please bring your pet's own food in an easy-to-store container. Only bring enough food for your pet's stay, due to our limited storage space. Please label all items that you bring from home to assure that you receive them back. For sanitary reasons, we ask that you leave personal bedding items at home. If your pet is taking medications please bring them in their original bottles. We cannot except and give medications that are not in the original container or prescription bottle.

For the safety of your companion and all of our boarding guests, we require all guests to be

current on their vaccinations and parasite screens. If your pet is due for vaccines please ensure that he/she is vaccinated at least 7 days prior to check-in date.

Each morning begins with a very important time for walking, cleaning rooms, and serving breakfast. Because of this routine, we ask that you wait until after 8:30 a.m. to check your pet in or out of our boarding facility. Check-outs that occur before 1 p.m. will not be charged for that day.

We welcome you to call us to check on your companion while you are away. We also welcome you to tour our facility. Your peace of mind is important to us!
